

***Kristian von Bengtson,
Architect (M.Arch.), MSc.SS***

Member of AIAA, Aerospace Architecture Subcommittee.
Board member of Danish Astronautical Society,
Born: August 8, 1974, Copenhagen, Denmark

<i>Education</i>	
2006	M.Sc. Space Studies, International Space University, Strasbourg, France
2001	Master's degree in Architecture, School of Architecture, Copenhagen, Denmark. Master's thesis in cooperation with ESA/ESTEC. Crew Return Vehicle (CRV) interior design.
1998	Parsons School of Design, NYC, USA. 1 year at Master's program in architecture

<i>Space related working experience</i>	
2008	Contractor for NASA/WYLE, Human Design Interface Handbook
2007	Lecturing at the Tycho Brahe Planetarium in Copenhagen, Denmark
-	Speaking at the Space 2007 conference in Long Beach, USA
-	Represented in the "Catalogue of Visions" at the conference "Denmark as a Space Nation."
-	Private production of a commercial space flight product with financial support from the National Bank of Denmark
	Registered in the Small and Medium Sized Enterprises (SME) unit at the European Space Agency
2006	NASA, phase 2 lunar landers study. Houston, Texas ,USA
2005	Independent research office at the Danish National Space Center (6 month)
-	Lecture, "space architecture", Danish National Space Center
-	The 35th International Conference on Environmental Systems (ICES) and the 8th European Symposium on Space Environmental Control Systems (ESSECS), Rome, July. Oral presentation and paper
-	Moon & Mars Habitat Workshop 2005, ESA/ESTEC
-	Lecture, "Mars simulation and space architecture", Danish Astronautical Society
-	Mars Desert Research Station, 2 weeks Mars-simulation, Crew 32, Utah, USA
2004	Space & the Arts conference, ESA/ESTEC
-	Advanced written English, course
2003	Co-founder of SpaceArch.com. Space architecture networking group
-	Lecture, "RFID design", School of Architecture, Denmark

<i>Professional experience</i>	
2007- now	Design chief at Copenhagen Bombay, Copenhagen, Denmark
2007	Designer at Louise Campbell Studio, Copenhagen, Denmark
2006-2007	Assisting teacher at the School of Architecture, Copenhagen, Denmark
2003-2005	Goodmorning Technology ApS, Co-founder and CEO of private design company. Industrial and graphic design. Company shares sold March 2005
2002	City architect office, Copenhagen City, Denmark
1998-2003	Private company, industrial and graphic design, Copenhagen, Denmark
1998	Art School Krabbesholm, Assistant teacher in architecture, Denmark
1998	Danish Design Centre, Copenhagen, Denmark

Papers & publications

K. von Bengtson, MOTHER, Copenhagen, K, Denmark; E. Twyford, MEI Tech. Inc. / NASA JSC, Houston, TX, Human Subsystem: Definition and Integration, AIAA-2007-6245, AIAA SPACE 2007 Conference and Exposition, Long Beach, California, Sep. 18-20, 2007

K. von Bengtson, Kristian (2006 Sep). Habitability design for phase 2 lunar lander study and ISS crew quarters, International Space University, 38 p. : ill.

K. von Bengtson Kristian (2006 July), Design Study on Short Radius Centrifuge as Countermeasure against Prolonged Exposure to Weightlessness (abstract). ICES 2007.

K. von Bengtson Kristian et al. (2006 July). Fertile Moon, Feasibility of Extraction of Resources and Toolkit for in-situ Lunar Exploration. International Space University, Strasbourg France.

K. von Bengtson, Kristian (2005 July). Designing a Complete Ingress-Egress Environment - A Reflection on the Design Process of the Crew Return Vehicle (SAE 2005-01-2998). 35th International Conference on Environmental Systems (ICES), Rome, Italy, 11-14 July 2005. SAE.

K. von Bengtson, Kristian; Lansdorp, Bas (2006 October). Design for a Mars Surface Habitat with Parts Made from Locally Produced Glass JBIS, Journal of British Planetary Society.

Spychips: How major corporations and government plan to track your every move with RFID. ISBN: 1595550208, Private design featured.

Skills

Computer	SolidWorks, AutoCAD, 3D-MAX, Form-Z, Office tools, Adobe Photoshop/Illustrator/In-design, STK, HTML- and PHP-coding.
Language	English: fluent writing and speaking. German: basic speaking. Native language: Danish
Other	More than 6 years experience of running company. Good administrative and project coordination skills. Experience in multicultural and multidisciplinary cooperation. Outgoing personality.

Grant and awards

2007	Danmarks Nationalbank Jubilæumslegat af 1968
2005	ESA (grant), Margot & Thorvald Dreyer (grant), Thomas B. Thrige (grant), Fabrikant P.A. Fiskers Fond (grant), Dir. Ib Henriksens Fond (grant), French Embassy Denmark (grant).
2001	National Bank of Denmark, Master's thesis design award (award)
1999	Parsons School of Design (grant)
1998	Advokat Scheibel (grant), Margot & Thorvald Dreyer (grant), Knud Højgaard's Fond (grant), Elli & Peter Ove Christiansen (grant), School of Architecture Denmark (grant)
